

## **BRIEF CURRICULUM VITAE**

### **PERSONAL DETAILS**

---

**Name:** Renee J McCarter

**Address for Correspondence:**  
Ashover House  
133 Long Ashton Road  
Long Ashton  
Bristol BS41 9JQ

**Telephone:** 0777 1983148 mobile  
**Practice Manager:** 01275 393136  
**Facsimile:** 01275 392237  
**Email:** rjmccarter@npsych.co.uk

### **QUALIFICATIONS**

---

#### **Academic and Professional Training**

2006 Doctor of Philosophy (PhD)  
Department of Experimental Psychology  
University of Bristol

1990 Master of Arts (Hons) Clin.Neuro.  
University of Melbourne, Australia

1987 Bachelor of Arts (Hons)  
University of Newcastle, Australia

#### **Awards and Certificates**

1989 Kevin Walsh Award in Neuropsychology  
1991 Counselling Skills Training  
Marriage Guidance Council of NSW  
1994 Clinical Hypnosis  
Australian Society of Hypnosis

#### **Professional Associations and Affiliations**

Associate Fellow of the British Psychological Society (BPsS)  
Practitioner Full Member of BPsS Division of Neuropsychology  
Chartered Psychologist, UK  
Member of the International Neuropsychological Society  
Member of the British Neuropsychiatric Association  
Affiliate Member of the American Psychological Association  
Member of the European Brain Injury Society  
Member Epilepsy Action

---

#### **Partners**

Dr N. H. Walton  
Dr R. J. McCarter

#### **Associate**

Dr M. Bunnage

#### **Practice Manager**

Mrs C. Mair

#### **Consulting Rooms**

Ashover House  
133 Long Ashton Rd  
Long Ashton  
Bristol  
BS41 9JQ  
Tel. 01275 393 136  
Fax. 01275 392 237

## **MEDICO LEGAL NEUROPSYCHOLOGY SERVICES**

1994- Present	Provision of Expert Neuropsychological Assessment and Medico-legal Reports on a Consultancy Basis. Child and Adult Assessments. Reports currently provided to both Claimant (~60%) and Defendant (~30%) or on Joint Instruction (~10%). Approximately 120 medico-legal reports prepared per year. Most commonly called upon to provide Expert Opinion in Personal Injury cases on nature and degree of cognitive/behavioural impairment; likely aetiology of such impairment and relationship to injuries; Opinion on prognosis for independence and employment. Typical cases include personal injury including traumatic brain injury (paediatric and adult), medical negligence resulting in neurological disorder, fitness to plead, fitness to parent.
